Climate Change and Human Health Literature Portal

Whether subarachnoid hemorrhage depends on the weather?

Author(s): MacDonald RL

Year: 2013

Journal: World Neurosurgery. 79 (1): 64-65

Source: http://dx.doi.org/10.1016/j.wneu.2012.10.028

Resource Description

Exposure:

weather or climate related pathway by which climate change affects health

Temperature

Temperature: Fluctuations

Geographic Feature: M

resource focuses on specific type of geography

None or Unspecified

Geographic Location: M

resource focuses on specific location

Non-United States, United States

Non-United States: Non-U.S. North America

Health Impact: M

specification of health effect or disease related to climate change exposure

Other Health Impact

Other Health Impact: Subarachnoid hemorrhage

mitigation or adaptation strategy is a focus of resource

Adaptation

Resource Type: M

format or standard characteristic of resource

Review
